He was sometimes called Doctor Goldsmith, as he had studied to be a physician.	A volte veniva chiamato Dottor Goldsmith, perché aveva studiato per diventare medico.
One day, a poor woman asked Doctor Goldsmith to go and see her husband, who was sick and could not eat.	Un giorno, una povera donna chiese al Dottor Goldsmith di andare a vedere suo marito, che era malato e non riusciva a mangiare.
Goldsmith did so, and found that the family was in great need.	Goldsmith lo fece e scoprì che la famiglia era in grande difficoltà.

"Here is the medicine," he said.	"Ecco la medicina", disse.
"Use it faithfully, and I think it will do your husband a great deal of good. But don't open the box until you reach home."	"La usi fedelmente e credo che farà molto bene a suo marito. Ma non apra la scatola prima di essere arrivata a casa".
"What are the directions for taking it?" asked the woman.	"Quali sono le istruzioni per prenderla?" chiese la donna.
"You will find them inside of the box," he answered.	"Le troverai all'interno della scatola", rispose lui.
When the woman reached her home, she sat down by her husband's side, and they opened the box.	Quando la donna arrivò a casa sua, si sedette al fianco del marito e aprirono la scatola.
It was full of money, and on the top were the directions: "To be taken as often as necessity requires."	Era piena di soldi e in cima c'erano le indicazioni: "Da prendere ogni volta che la necessità lo richiede".
Goldsmith had given them all the money that he had.	Goldsmith aveva dato loro tutto il denaro che aveva.
